EDUCATION

- **Dayananda Sagar College of Engineering** — Bengaluru, KA
  B.E in Information Science (VTU); SGPA: 9.3 — 2022 - 2026
- **Christ PU College** — Bengaluru, KA
  State Board; 88% — 2020 - 2022

SKILLS

Languages: Python, JavaScript, SQL, Bash, Java, Kotlin, Dart

Frameworks/Technologies: Next.js, React, Supabase, Flutter, Git

Developer Tools: GitHub, Docker

PROJECTS

- **TravelEase** – *Next.js, Supabase, Google Maps API* — Website
  - Developed an interactive trip management platform with real-time expense tracking and mapping.
  - Integrated a dynamic mapping interface using Google Maps API, enabling users to filter and explore locations.
  - Optimized the performance with efficient API calls and Supabase authentication and database integration.
- **CIE Marks Calculator** – *Kotlin* — GitHub
  - Developed an Android app for quick and accurate CIE (Continuous Internal Evaluation) marks calculation
  - Integrated Apache POI library for Excel sheet parsing and data extraction, enabling users to upload spreadsheets and calculate marks.

CERTIFICATIONS

- Flutter and Dart–The Complete Guide [2024 Edition] — Certificate
